

From _____

Our Purpose

- To provide service to the Hospital
- To promote a greater interest in community wellness
- To raise funds, through approved methods, for the benefit of the healing environment of the Hospital

Our Mission

To furnish the hospital staff with the helping hands and support necessary to provide excellent, personalized health care.

Making a difference.

THANK YOU
for your
stamp.

The Parma Hospital Auxiliary has been in existence since 1960. Volunteers have been making a difference at Parma Community General Hospital in a variety of ways. And, as the Hospital continues to grow, the need for volunteers increases.

Volunteer Requirements

- 18 years of age for adults
- 14 years of age for students
- Overall good health
- Strict respect for confidentiality
- Background screening and references
- Commitment to a regular schedule
- Orientation and training
- T.B. test - required at no charge
- Annual service meeting
- Purchase uniform

Benefits of Volunteering

- Helping others
- Giving back
- Meeting new people
- Being needed
- Learning new skills
- Gaining work experience
- Improving the community through civic duty
- Gaining academic credit
- Doing satisfying work
- Getting out of the house

How can you help?

Volunteers can be seen in a variety of areas of service. Greeters can be found at the Information Desk, Emergency Department, Outpatient Reception, WellPointe Pavilion, Radiology, and the Cancer Center.

The Gift Shop and Healing Grounds coffee shop volunteers provide the support needed to make financial contributions to the Hospital. Hospital clerical volunteers perform clerical duties in various hospital departments.

Other areas of service include Transport, the Elder Center, Skilled Nursing Facility, Mail and Flowers, Chapel services, and Inter-Department mail and Plain Dealer delivery.

Additional Benefits

- Free parking
- Free meal on the day of service
- Annual recognition luncheon
- Annual complimentary flu vaccine
- Quarterly newsletter
- Gift shop coupons

We'd like to hear from you!

Please fill out this form and you will be contacted for an interview. Following the interview and required documentation we will talk with you about available volunteer opportunities that match your skills with the needs of our Hospital services.
